2. Students (and their welfare)

- General characteristics

The school has approximately 33% School Card enrolments by the end of the year. A small number of students enrolled as Aboriginal/Torres St Islanders or from Non English Speaking Backgrounds.
- Student well-being

Moana Primary School has a strong emphasis on Social and Emotional Wellbeing. Our Student Wellbeing Leader works proactively to support the implementation of a range of programs and processes to develop and support our school values (Respect, Integrity and Kindness). Junior Primary students utilise 'What's the Buzz?'. 'The Way to A' program and Restorative Practices are implemented whole school.

Students may be involved in small group or individual social skills activities with support provided by school Leadership and SSO's.
- Support offered

A Special Education program is provided for students with One Plans and students with learning difficulties. Students are identified by classroom and whole school testing. Intervention programmes currently in place include Reading Room and QuickSmart (Numeracy).

Student Review Team meetings are held once per term with DfE Support Services Personnel (such as Speech Pathologist, Special Educator, Educational Psychologist, Behaviour Coach) to review student progress and support intervention practices.

2021 will see Moana Primary School continue with One Child One Plan (One Plans).
- Student management

The school's Behaviour Management Policy, which is consistent with the DfE policy, is in effect for both class and yard. Behaviour management is based on restorative practices and students are encouraged to take responsibility for their actions, make restitution and restore relationships.

Individual student play programmes are developed where necessary.
- Student government

A Student Representative Council (SRC) with representation from all classes has weekly meetings supported by the Student Wellbeing Leader. The SRC has five executive members selected through an application process from the Year 6/7 cohort. SRC plays an active role in decision making and organising and planning whole school events. SRC reports are shared at all assemblies.

- Special programmes
 - Aquatics program for Year 6 and 7 students.
 - Swimming at Noarlunga pool for Rec to Year 4 students.
 - Swimming at Port Noarlunga Beach for Year 5 students.
 - Wakakirri - alternate years.
 - Student Leadership
 - Reception play-based program
 - Camps and excursions

3. Key School Policies

- Site Learning Plan and other key statements or policies

The 2021 Site Improvement Plan was developed using DfE Standard of Educational Achievement data in literacy and numeracy. The following are our priorities for 2019-2022. We will use a Quality Improvement Cycle and review process to monitor and evaluate our progress.

Increase student achievement in maths across the school in the number strand.

Increase student achievement in reading in particular reading comprehension across all year levels.

Increase student achievement in writing; Year 3 to 5 and 5 to 7

The school community reviewed the school's vision and values in 2018. Through the review the following school values were identified;

Respect

Integrity

Kindness

The school vision statement is;

This school aims for every student to have the opportunity to achieve their full learning potential based on mutual respect, kindness and integrity.

4. Curriculum

- All students at Moana Primary School are offered a broad based, integrated and inclusive curriculum in line with the learning areas of the Australian Curriculum; Maths, Science, English, Humanities and Social Sciences, The Arts, Health and Physical Education, Technologies and Languages.
